Colors / Colori

The Lol table collection is intended for outdoor use; youthfully simple and sunny, its design blends in discreetly with either the most sparkling or the most sober environments. The table tops with fire resistant composite material core, as well as the bases, are available with three or four spokes, are made up of a metal structure treated for outdoor use, and with a matt finish. The available colour palette is common to many Gaber seating collections, guaranteeing tone-on-tone colour co-ordination throughout designed settings rather than lively contrasts, defining various colour combinations between bases, tops and seating.
