Стулья коллекции ISIDORA, KALIPA

ISIDORA

The Isidora collection is easy to recognize and has a strong formal identity, the result of aesthetic and functional details that characterize its design. Isidora is both lightweight and stackable, thanks to the complex production system and the use of durable materials. It is sturdy and perfect for outdoor purposes. With easy stackability, the armrest version lends itself to hooked up onto a table edge to facilitate floor cleaning. The Isidora range is completed with the option of upholstered seat and back, for extra comfort, and is enriched by a glossy rear back. Simple comfort, suitable for any environment, in any situation.

KALIPA

Kalipa is a family of practical chairs and stools, made from a combination of fully recyclable plastic. The soft and flexible backrest, and the generous seat characterized by the innovative texture, give Kalipa an enviably comfortable sit. Chairs and stools, with or without arms, are available in full-color and twin-color combinations and are suitable both for indoor and outdoor environments. Also available with upholstered seat for additional comfort.
