Стулья коллекции MORE, OVER

MORE

More and More...An extensive seating collection, for indoor or outdoor environments, versatile and stylish. But, above all, a unique collection. The result is *More*, a single technopolymer shell that can equally well be fully upholstered, or simply enriched with a cushion specially created. The cushion adopts a clever solution: it is fixed to the body-shell by 9 buttons, making it easy to apply or remove when necessary.

OVER

An award-winner 2004 for its innovative vision, the *Overchair* is the progenitor of twin-color configurations in the contract sector. A timeless design, capable of inspiring and also adaptable to the most demanding environments. Seat and back lay on a structure of elastomer technopolymer, which ensures extremely thin lines without affecting strength and stability. The chair is stackable, lightweight and available in a wide range of colors.
