Стулья коллекции FLAP, GIANET, BIG BANG, EXTREME, PRISMA, MOON

FLAP

Technique and Design come together in the new Flap folding chair, designed by Eurolinea Studio. Entirely in technopolymer, and therefore completely recyclable, Flap is distinguished by its great comfort, resistance and stability. Flap folds easily into an extremely limited space, thanks to a patented system that also allows highly practical stackability. Easy to clean and also suitable for outdoor environments, Flap is the ideal folding chair for major events, ceremonies, meetings, or in settings where frequent cleaning is required. For easy stacking and transport, Flap can be equipped with techno-polymer wall-hooks or with a practical dolly (which allows you to store up to 24 chairs)

GIANET

Gianet is a collection of sturdy and comfortable stacking chairs, ideal elegantly and practically to decorate both indoor and outdoor settings. Its graceful sleek design features original and refined touches that combine with the various colourways to give Gianet a lively and authentic look and create surprising and functional chairs. Gianet, also available in the lounge chair version, is a refined and durable collection, suitable for all occasions, whether indoors or out.

BIG BANG

Big Bang is a chair that uses digital language in order to create an explosion of colors. An innovative graphic solution, thanks to the development and application of an innovative patented production system. Big Bang is made of a multi-colored techno-polymer shell and a chromed or white-painted frame.

EXTREME

Young, dynamic and creative, a new family of chairs which combines its lightness and strength with an innovative and extrovert design, capable of making any background trendy and special. Extreme features are a twin-color shell with chromed or painted for outdoors. Extreme in its essential originality can give a touch of glamour to its location.

PRISMA

The overriding characteristic of this piece is weight, it's extremely light. A very modern chair, totally recyclable, created entirely from a new innovative material. Suitable for outdoors, clean design, with a classic touch, slightly contemporary, the chair has really a good look. *Prisma* blends beautifully into its surroundings.

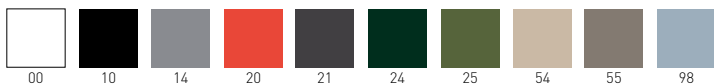

MOON

The *Moon* collection is extremely durable and has excellent resistance to varying weather conditions. Available in a wide range of colors, stackable, lightweight and durable, this versatile chair is able to adapt both to residential and contract environments. The high strength, obtained by a metal co-injected frame, ensures a long product life, even after heavy-duty use.
