Табуреты NUTA, ISIDORO, SPYKER, SHIVER, ОСТО, FREEDOM, RITMO

NUTA LIGHT

The stool from the Nuta Light Collection offers a modern and comfortable seating style, suitable for discreetly furnishing commercial and hospitality environments. The functional backrest, the lightness and the easy handling of the product guarantee a simple use and maximum reliability.

NUTA

The Nuta family now expands with the stool available in two heights. The material used is techno polymer which gives a soft touch concept to this stool, which re-proposes a design of yesteryear but with modern materials, for a complement suitable for contract and community settings.

ISIDORO

Stimulating for those who love design with strong colors, perfect for those who need organized spaces: Isidoro fit perfectly any stylish and modern habitat. Isidoro is stackable, lightweight, functional and durable. Realized by metal-polymer co-injection, this comfortable stool works perfectly even for outdoor intensive use.

SPYKER

The Spyker stools are made from a high-strength technopolymer structure, which adapts perfectly to both indoor and outdoor use. Comfortable thanks to the ergonomic backrest, light and easily stackable, the stools are available in many trendy colors, suitable with elegance even for large installations.

DAME

The Dame stool, with simple and timeless lines, available with a chromed or painted steel frame, is designed to obtain maximum comfort thanks to the soft cushion or the complete padding and upholstery of the shell, made of techno-polymer and available in many bright colors. The stool reworks the classic design thanks to the modern materials utilized, transforming an entire room through its timeless grace.

SHIVER

Shiver is a stool made entirely of techno-polymer, fully recyclable. Ideal for outdoor use, thanks to the rigorous design and the wide choice of available colors, fit perfectly any setting. Shiver is stackable, lightweight, functional and durable.

OCTO

The mystic number eight and the symbol of infinity have inspired this designer stool, with an essential and continuous shape, capable of revolutionizing the look of any interior. Swivel seat is standard. Optionally with gaslift, the height adjustment button nesting within the seat.

FREEDOM

A pure expression of velocity and high technical performance, *Freedom* is a futuristic designer stool, with sharp, flowing lines. In twin-color technopolymer, this barstool has a swivel seat with optional height adjustment. The various color combinations make *Freedom* suitable for any environment.

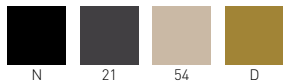

RITMO

Ritmo is a dynamic stool thanks to the height adjustment and the tilting base, which allows the stool to adapt to the user's seat inclination, following him in small movements. The particular shape of the seat amplifies user-friendliness and makes it suitable for quick sit-stand meetings.
